

## Manage Your Payments More Easily and Cost-Effectively

NVP Essentials enables automated B2B domestic check and card payments for your business. Our ERP-agnostic automated payment solution empowers your AP team to save time and costs by consolidating all your domestic check and card vendor payments into a single workflow.

### Easily execute all U.S. domestic check and card payments in a single workflow

You deliver us a payment file and funds — we deliver payments to your suppliers.

### Reduce AP costs

Switching to electronic payments means fewer checks, and fewer resources spent on printing and postage.

### Simplify the reconciliation process

Reduce the time needed to reconcile your payments with our automated reporting.

### Maintain control and mitigate payment risk and liability

Customizable approval workflows allow you to control what gets paid and when, while Corpay Payment Automation assumes responsibility for payment fraud risk for qualified payments.

### Spend less time managing payments

No need to worry about payment management — Corpay Payment Automation handles errors and exceptions.

### Create Value with NVP Essentials

*Cut costs by reducing paper check payments*

*Earn monthly rebates on credit card spending*

*Outsource data management and vendor support tasks*

# How NVP Essentials Works

## Full Implementation and Program Management Support

### Implementation and Setup

- A dedicated implementation team helps you implement NVP Essentials with minimal-to-no burden on your IT team.
- Technical resources work with you to lead integration with your existing accounting software.
- Ongoing, hands-on training and documentation for your team.

### Payment Services

- Our vendor network includes 850,000 vendors that are already enrolled to receive electronic payments via NVP Essentials.
- Eliminate the administrative burden of following up on unprocessed payments and fielding payment status calls from vendors.
- For an additional fee, our AP Concierge team can submit your vendor payments by phone or via portals, saving you time and headaches.
